YOUR CRUISE

Aboard Le Austral, set sail for a cruise to the heart of the "Land of the Rising Sun", a blend of modernity and tradition.

From Osaka to Maizuru via romantic Kyoto, during your cruise Japan will open its doors to you and lift the veil on its imperial past, where the history of the Samurais rubs shoulders with the delicateness of Geishas.

FOCUS ON... TAMANO, OKAYAMA

Located on the island of Honshu, hugging the banks of the Seto Inland Sea, Tamano is a popular destination thanks to its sun-drenched climate. Upon arrival, marvel at the way in which the city has been built along the coast at the foot of a deep, dark forest. In the area surrounding Tamano, stroll down the streets of Kurashiki, known as the 'white-walled city' in a nod to the pretty façades of the houses that line the streets of this ancient Edo-period trading town. Another major regional attraction is the Seto Ohashi bridge. Its 12.5 kilometres make it the world's longest double-decker bridge.
