YOUR CRUISE

The Amazon and the Orinoco: two legendary rivers, two universes teeming with life, two liquid jewels that we invite you to explore aboard Le Soleal and during our daily excursions in Zodiac® dinghies.

As we sail along, journey deep into the secrets of this verdant paradise and admire the unique vision of these aquatic labyrinths where the flora and fauna reign supreme.

FOCUS ON... BELEM

The historical city of Belém stretches along the Bay of Guajar on the Amazon Delta, at the northernmost tip of Brazil. Its lively waterfront is home to the century-old Ver-o-Peso market and its iconic turreted iron structure, the Mercado de Ferro. Nearby, mango tree-shaded streets lead to the neoclassic Da Paz Theatre, the Baroque cathedral of Sé and Presépio Fort, whose battlements look out over the old town and the bay. The Bosque Rodrigues-Alves Botanical Garden is a fascinating mini Amazonian forest in the middle of the city that was established in the 19th-century.
