### YOUR CRUISE

Cruise with Ponant on a new itinerary and discover the beauty of the Norwegian fjords.

Come aboard the Le Soléal for an 8-day cruise and sail along the Norwegian coastline, whose vertiginous cliff faces have been sculpted by the wind and the sea, giving rise to many unspoiled fjords.

A must-visit port of call on your trip is Geiranger, a small Norwegian town located in the Sunnmøre region. In 2005, the Geiranger fjord became a UNESCO World Heritage Site.

During your cruise you will discover the Bridal Veil and Seven Sisters, two famous waterfalls with mythical names.

You will also visit Stavanger, a cosmopolitan and prosperous small town with a perfectly balanced blend of old and new. During your stopover, walk the paved streets and admire the wonderfully preserved fishermen's houses that date from the 18th century.

### FOCUS ON... STAVANGER

At the far end of the country, stands the harbour town of Stavanger, with its warm, friendly atmosphere. A friendliness you'll notice in the little old town cobbled streets, which has some 170 old wooden houses, as well as in its modern city centre, always bustling.
