YOUR CRUISE

PONANT invites you to experience an unforgettable Christmas with an exceptional itinerary to the southern West Indies!

From Pointe à Pitre, you will set sail aboard *Le Ponant* for a 10-day cruise under the Caribbean sun.

Your cruise will start with a stopover in the Les Saintes archipelago, home to one of the most beautiful bays in the world: Les Saintes Bay.

You will then gently island hop towards Saint Lucia and her two majestic rocky peaks, listed as a UNESCO World Heritage site.

After having anchored in the heart of the Tobago Cays National Park, this rosary of islands bound together by the most beautiful coral reef in the West Indies, *Le Ponant* will take you to discover Bequia, "the whale-hunting island," and its wild and unspoiled coastline.

An experienced diving monitor is on board during the cruise. Don't miss the opportunity to explore the underwater world, whether scuba diving or snorkelling.
