YOUR CRUISE

Embark aboard *Le Soléal* for a 5* expedition from Kangerlussuaq to Nome.

We are inviting you to set sail for the Far North, well beyond the Arctic Circle, to a legendary, highly coveted maritime route: the Northwest Passage, the only possible shipping route between the Atlantic and the Pacific.

In Winter, this "roof of the world" is transformed into a majestic white desert; whilst in Summer, for a few short weeks, the temperature rises enough for the ice to melt. Life reappears, nature is reborn, the mythical route is finally free and we can breathe in the unique scent of great adventure.

Subject to ice and weather conditions. The expedition highlights and itineraries described above illustrate possible experiences only and cannot be guaranteed.
