YOUR CRUISE

From Saint Martin to Cuba, succumb to the charms of the Caribbean aboard an 11-day cruise with PONANT. This all-new itinerary aboard *Le Ponant* will be your opportunity to enjoy unforgettable swims in exceptional turquoise-water lagoons and bays lined with palm trees.

Your ship will set sail from Saint Martin, a small cosmopolitan island that is half French, half Dutch.

Located between the Lesser Antilles and the Greater Antilles, the British Virgin Islands are composed of some sixty islands, most of which are uninhabited. From Virgin Gorda, discover The Baths National Park and its huge blocks of granite, surrounded by caves and rock pools. Next, explore Jost Van Dyke, where we will stop for a relaxing swim.

Further west, *Le Ponant* will drop anchor in the Dominican Republic. In addition to its superb beaches lined with coconut trees, this country is home to myriad lesser-known treasures such as forests, mountains, fishing villages and sugar cane fields.

You will then sail to Cuba, famous for its music and its cigars. Immerse yourself in the unique atmosphere of Havana, the lively and colourful capital whose old districts are sure to captivate you with their colonial architecture.
