YOUR CRUISE

In partnership with RADIO CLASSIQUE.

PONANT invites you on a musical cruise in partnership with RADIO CLASSIQUE, with the exceptional presence of Alain Duault. In Maizuru, you will board the *Le Soléal* for a 9-day cruise to the heart of Japan.

When your ship calls at Sakaiminato, you will set off to discover medieval Japan and the ancient dwellings of the samurai, who had lavish homes and castles built.

The *Le Soléal* will then take you to Busan, a warm and welcoming city where you will enjoy a spectacular view of the port. This ancient city full of contrasts presents numerous vestiges that speak of its prestigious past.

We will call at Hiroshima, the gateway to Miyajima, home to the majestic Shinto shrine whose entrance is guarded by a magnificent vermilion Torii listed as a UNESCO World Heritage Site.

You will also discover the small Japanese city of Tamano, a former feudal domain with a unique cultural heritage. Among its sites, you will be able to admire its famous Korakuen Garden, one of the country's three must-see landscaped gardens.

You will end your cruise with the discovery of the most Japanese of metropolis, Osaka, a modern, industrial and cultural city that is entirely turned towards the future. This city has been the national centre for trade and industry since the reign of Emperor Nintoku.
