YOUR CRUISE

PONANT invites you on an exceptional circuit between Canada, the United States and Mexico. During this 13-day cruise aboard *L'Austral*, you will notably have the opportunity to discover the mythical sites of California.

First, we will call at Victoria, named after the former queen of the United Kingdom. This tranquil city is reminiscent of England. You will stroll through the beautiful Butchart Gardens.

After two days of sailing, *L'Austral* will reach San Francisco on the West Coast of the United States for a lengthy stop as there is much to see and do. From Baker Beach, which starts at the foot of the Golden Gate Bridge, you can admire spectacular views of the bridge and headlands.

Your ship will then take you to Los Angeles, the city of excess and cinema that no words can fully capture. You will discover the Hollywood Hills, the Walk of Fame, and of course Beverly Hills.

You will also discover San Diego, Southern California, where you will be able to gaze out at the stunning Torrey Pines Beach and where you will be able to stroll around the historic Gaslamp Quarter.

You will finally set sail for Mexico with a port of call at Cabo San Lucas, a small town that is popular with the stars and famous for its rock formation emerging from the ocean, known as "Land's End" or "El Arco".
