YOUR CRUISE

PONANT invites you to discover the wonders of Spain's east coast, sailing on to Lisbon, during an exceptional 8-day cruise, aboard *Le Bougainville*.

Your voyage will begin in Barcelona, a city in perpetual movement, where you will set out on the traces of Gaudí, and fall under the spell of his famous architectural works, such as the Sagrada Familia cathedral.

After a first call at Palma de Majorca, one of the jewels of the Balearic Archipelago, known for its four main islands that are charming, picturesque and discreet, sitting atop the clear waters of the Mediterranean like grains of sand, you will join Valencia, with its remarkable architectural splendours.

The next stop will be Altea, a superb example of a typical Spanish village with its white facades and blue shutters, where you will admire the beautiful church *La Mare de Déu del Consol* ("Our Lady of Solace").

You will then head to Andalusia, where you will discover Cadiz, one of the country's oldest cities, built on a rock and surrounded by the sea. This call will allow those who wish to visit the superb city of Seville, before joining Lisbon, your port of disembarkation.
