YOUR CRUISE

Inaugural cruise aboard *Le Bougainville*.

Set off to discover the ancient treasures of the Mediterranean with an all-new PONANT itinerary between Málaga and Athens.

During these 8 days of sailing, *Le Bougainville* will enable you to explore mythical sites.

Leaving from Málaga, you will sail towards Cartagena where a rich antique heritage dating back from the Carthaginians and the Romans awaits you.

After a second call at Palma de Majorca, one of the jewels of the Balearic Archipelago, known for its four main islands that are charming, picturesque and discreet, sitting atop the clear waters of the Mediterranean like grains of sand, you will join Sicily and call at Palermo.

Nestling in the heart of a wide bay, Palermo has preserved the traces of all the cultures that have met there. You will be able to visit emblematic landmarks such as the 12th century cathedral and Teatro Massimo, one of the largest theatres in Europe.

You will then head to the Delphi sanctuary of Greek gods which you will reach via Itea. Delphi is located on a grandiose site that is one of Greece's most beautiful natural landscapes. You will walk in the footsteps of the pilgrims of old, who came here to consult the famous oracle.

After crossing the narrow Corinth Canal, your cruise will end in Athens, the mythical city dominated by the Acropolis.
