YOUR CRUISE

Cruise with PONANT on an exceptional itinerary and discover the treasures of the Cyclades. Step aboard the *Le Bougainville* in Athens for an 8-day cruise to the most beautiful Greek islands of the Aegean Sea.

Your voyage starts with sightseeing around Patmos. Also known as the 'Jerusalem of the Aegean Sea', this divine island features unique landscapes that blend long white beaches with rocky coves.

The Cyclades capital, Syros Island, will surprise you with its authenticity and neo-classical architecture.

Then, you will discover Delos, a minuscule island in the Cyclades archipelago. According to mythology, Apollo was born here. Like an open-air museum, Delos offers unique testimony of the civilisations that followed one another in the Aegean world.

You will also discover Mykonos. This is the 'Queen of the Cyclades', an island of white windmills, sinuous lanes and whitewashed buildings, with a small port where fishing boats and dinghies lazily bob at the foot of the terraces. Mykonos cannot fail to charm you.

Your cruise will end in Athens, the mythical city dominated by the Acropolis and its monuments that form the most extraordinary architectural and artistic collection bequeathed by Ancient Greece to the rest of the world.
