Disembarkation 08/03/2016 at 07h00

YOUR CRUISE

-Last island before the Pole, the sea displays its thick and bright ice armour, time seems to stand still... You are in Spitzbergen!

-On this cruise, LE BORÉAL will sail you to a nature that is coloured by polar hues. Icebergs, icecaps, ice floes, a fascinating universe where 55% of the landmass is covered in glaciers, which collapse into the sea in jagged heaps
