YOUR CRUISE

“The Adriatic represents a unique crossroads. For millenniums everyone has converged on the sea, causing upheaval and enriching its history...”

Athens, Corinth Canal, Sailing Bay of Kotor, Dubrovnik, Mljet, Korcula, Trogir, Venice... All the Mediterranean and Adriatic wonders invite you for a magical cruise on board Le Lyrial!

Sail along the Dalmatian coast to discover those mythical Seas : harmonious palette of greens and blue, the azure coastline bathes the coastal towns in a gentle and subtle golden light, when the sun sinks behind the ramparts of the sleepy cities.

FOCUS ON... ATHENS

The Greek capital city is located on the edge of the Saronic gulf, in the east of the country. It bears a plural name in reference to the first villages that surround the Acropolis. You will be enchanted by the rocky plateau presided by its monuments listed as UNESCO World Heritage. In the city below, you can visit some of the liveliest districts in Athens: Plaka, with its maze of colourful streets, and where, in the evenings the drifting aroma of moussaka and garlic prawns will tickle your taste buds. Don't miss anything of the city's cultural past. Pay a visit to the National Archaeological museum, or the Cycladic Art Museum.
