YOUR CRUISE

From Venice, we set sail for Croatia and its many hidden treasures. Le Lyrial slips effortlessly through the turquoise Adriatic Sea, wending her way between necklaces of islands dotted here and there off the Dalmatian Coast.

There are cities which thrive on their legend - and Venice, the City of Doges is one of these with its many offshoots lined with multi-colored stonework and its black gondolas.

You will be exploring the wild beauty and pearls of the Adriatic: ancient ruins, a wealth of art, and timeless cities just waiting to be discovered, such as Dubrovnik, Kotor and Rovinj.

FOCUS ON... KOTOR

Nestling at the end of a bay surrounded by wooded mountains, the town of Kotor offers its UNESCO World Heritage listed old town with its medieval architecture.
